

Martin Luther King, Jr. Middle School Parent Volunteer Site

Welcome to the MLK Parent Volunteer Site. Thank you for your interest in volunteering with us. We appreciate your support and willingness to support our staff and students as they strive for academic excellence. Our goal is to develop a positive and productive working relationship between staff members and volunteers. The following are a few guidelines which will help in the scheduling of your volunteer experience:

Prince George's County Public School volunteers must provide proof of fingerprinting to MLK office staff prior to volunteering.

- [More information on the fingerprinting process.](#)

Please keep in mind that there may be time changes to the daily schedule. [It is recommended that you contact the staff member prior to volunteering.](#) For example, on most Wednesdays we are on a **one-hour delay schedule** due to the Advisory Program. During school wide testing, there is a different schedule and volunteers are not permitted in the classrooms. We have noted "regular schedule hours" on the request list below but it is best to call or email staff members as the schedule is subject to change. The main office phone number is 301.572.0650.

- [Click here to view the MLK Bell Schedule.](#)

All volunteers must sign in with the Main Office Staff. Upon arrival we will confirm your fingerprinting status, provide you with a visitors' badge, have you sign in/out in our Parent Volunteer Book and answer any questions you may have. If you have any questions, concerns or ideas as to how we could improve our program, please email PTO Parent Volunteer Coordinator Crystal Tweedy at mlkvolunteers@gmail.com. We look forward to a productive partnership. **Your support will make a difference.**
